

InTouch — Corporate Compliance Feedback Program

- InTouch is designed to allow employees and others to make a confidential/anonymous report of issues that they believe may potentially be in violation of Kaiser Aluminum's Code of Business Conduct and Ethics or any laws or regulations related to Company operations.
- If you are aware of a sensitive Kaiser issue that needs to be looked at – and you are uncomfortable discussing it with your supervisor or are unsatisfied with previous attempts to address it, contact InTouch.
- The InTouch program is administered by an independent firm retained by Kaiser and is available 24 hours a day, 7 days a week. Your call or e-mail can remain anonymous, but your concern will be heard.
- You may contact InTouch in one of two ways:
 - By telephone — An InTouch representative will explain the program and treat your call confidentially. You can remain anonymous. From North America, dial toll-free 1-866-204-9793
 - By e-mail – Send a message to: info@getintouch.com
